**Comments:** This form is to be used when the child is placed out of the home, because ICWA does not apply when the child is placed in the home.

This consent decree is only to be used for out-of-home placements. For in home placements under a consent decree use form JD-1784, Consent Decree (In Home Placement Only).

In Consent Decrees where an out-of-home placement is agreed to, the court is required to make findings regarding the appropriateness of that placement.

Additionally, in order to follow the requirements of the Indian Child Welfare Act, the order must contain a finding as to whether the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child. This finding must be supported by the testimony of one or more qualified expert witnesses. The order must also contain a finding whether active efforts have been made to prevent the break up of the Indian family. Finally, the order must state whether the placement preferences of ICWA have been followed.

RMC recommends that the court not rely upon attachments alone as the basis for its findings. Where attachments are used, specific reference to the document title, page and paragraph should be made.

**About this Form:** This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.
